

# Website Development

[Website Development](#) [1]

The City of Longview is committed to providing quality, up-to-date information on the official website [LongviewTexas.gov](#) [2].

## **The goals of the City of Longview's Website Development efforts:**

- Provide as many services online as possible, from online payment to activity registration.
- Provide information online as a transparent, open government.
- Provide a website design that is user-friendly and easy-to-navigate.
- Provide a website that has current information and up-to-date news.
- Provide contact information for city departments so that residents can directly communicate with the appropriate city staff throughout the organization.
